

**INDEPENDENT AUDITORS' REPORT**

To  
**The Members of JINDAL URBAN WASTE MANAGEMENT (TIRUPATI) LIMITED**

**Report on the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of **JINDAL URBAN WASTE MANAGEMENT (TIRUPATI) LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the [Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and its losses, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rule thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure 'A'** a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:

**N.C. AGGARWAL & CO.**  
**CHARTERED ACCOUNTANTS**

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Change in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
- (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to **Annexure 'B'**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations as on March 31, 2019;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
- (h) The managerial remuneration for the year ended 31st March, 2019 has not paid/ provided for by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.

**ANNEXURE 'A' TO INDEPENDENT AUDITORS' REPORT**

(Annexure referred to in our report of even date to the members of **JINDAL URBAN WASTE MANAGEMENT (TIRUPATI) LIMITED** on the accounts for the year ended March 31, 2019)

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.  
  
(b) The fixed assets of the Company have been physically verified by the management during the year and we are informed that no serious discrepancies have been noticed by the management on such verification.  
  
(c) The Company does not own any immovable property. Hence, para 1(c) of the order for reporting on title deed of immovable property held in name of the Company is not applicable.
2. The company does not have inventory. Accordingly, the provision of clause 3(ii) of the Companies (Auditor's Report) Order, 2016 are not applicable to the company.
3. According to the information and the explanations given to us, the company has not granted any loans, secured or unsecured to companies, firms, limited liability partnership or other parties covered in the register maintained under section 189 of the Companies Act 2013. Accordingly, the provisions of clause 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the order are not applicable to the company and hence not commented upon.
4. The Company has not granted any loans or given any guarantee and security covered under Section 185 and 186 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iv) of the order are not applicable to the company and hence not commented upon.
5. According to the information given to us, the Company has not accepted any deposits under the provisions of section 73 to 76 of the Companies Act, 2013 or any other relevant provisions of the companies Act and the Companies (Acceptance of Deposits) Rules, 2014 as amended from time to time. No order has been passed with respect to Section 73 to 76, by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal.
6. To the best of our knowledge and as explained, the maintenance of cost records as specified by the Central Government under sub-section (l) of section 148 of the Companies Act, 2013 is not applicable to the company.
7. a) Undisputed statutory dues including provident fund, employee' state insurance, income tax, duty of customs, goods & services tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities and there are no undisputed dues outstanding as at 31st March, 2019 for a period of more than six months from the date they became payable.  
  
(b) According to the information and explanations given to us, there are no material dues in respect of income tax and goods and service tax which have not been deposited with the appropriate authorities on account of any dispute. To the best of our knowledge and as explained, the Company does not have any other statutory dues i.e. wealth tax, duty of customs as mentioned in para (vii) (b) of the Order.

**N.C. AGGARWAL & CO.**  
**CHARTERED ACCOUNTANTS**

8. According to the records of the Company examined by us and the information and explanations given to us, the Company has not taken loans or borrowing from financial institution, bank, government or issued any debentures. Accordingly, the provisions of clause 3(viii) of the order are not applicable to the company.
9. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans. Accordingly, provisions of clause 3 (ix) of the Order are not applicable to the Company.
10. According to the information and explanations given to us and as represented by the Management and based on our examination of the books and records of the Company and in accordance with generally accepted auditing practices in India, we have been informed that no case of frauds has been committed on or by the Company or by its officers or employees during the year.
11. The Company has not paid any managerial remuneration under the provisions of Section 197 read with Schedule V of the Companies Act, 2013. Accordingly, provisions of clause 3 (xi) of the Order are not applicable to the Company.
12. The company is not a Nidhi Company. Accordingly, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
13. According to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of Act, and where applicable the details have been disclosed in the financial statements as required by the applicable accounting standards.
14. The Company has not made any preferential allotment or private allotment of shares or fully or partly convertible debentures during the year. Accordingly, provisions of clause 3 (xiv) of the Order are not applicable to the Company.
15. The Company has not entered into any non-cash transactions with the directors or persons connected with him as covered under Section 192 of the Companies Act, 2013. Accordingly, provisions of clause 3 (xv) of the Order are not applicable to the Company.
16. According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India, 1934. Accordingly, provisions of clause 3 (xvi) of the Order are not applicable to the Company.

**ANNEXURE 'B' TO INDEPENDENT AUDITORS' REPORT**

Annexure referred to in our report of even date to the members of **JINDAL URBAN WASTE MANAGEMENT (TIRUPATI) LIMITED** on the accounts for the year ended 31<sup>st</sup> March, 2019

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **JINDAL URBAN WASTE MANAGEMENT (TIRUPATI) LIMITED** ("the Company") as of 31<sup>st</sup> March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and the components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2019, based on the internal control over financial reporting criteria established by the Company and the components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

**1. Corporate and General Information**

Jindal Urban Waste Management (Tirupati) Limited ("the Company") is domiciled and incorporated in India. The registered office of the Company is situated at A-1, UPSIDC Industrial Area, Nandgaon Road, Kosi Kalan, Mathura - 281403, Uttar Pradesh, India.

The Company intends to install a waste to energy plant at Tirupati, Andhra Pradesh

**2. Basis of preparation**

The standalone financial statements comply in all material aspects with Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The Company has consistently applied the accounting policies used in the preparation for all periods presented.

The Significant accounting policies used in preparing the financial statements are set out in Note no. 3 of the Notes to the Financial Statements.

**3.0 Significant Accounting Policies**

**3.1 Basis of Measurement**

The financial statements have been prepared on an accrual basis and under the historical cost convention except financial assets and financial liabilities which are carried at amortised cost.

The financial statements are presented in Indian Rupees (Rupees or ₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupee thereof, except as stated otherwise.

**3.2 Property, Plant and equipment**

Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All preoperative expenses directly attributable to installation of waste to energy plant are capitalised.

Assets are depreciated to the residual values on a straight line basis over the estimated useful lives based on technical estimates. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Freehold land is not depreciated. Estimated useful lives of the assets are as follows:

Category of Assets	Years
<b>Other Office Equipments</b>	
- Computer equipment	3
- Office equipment	3-25
- Furniture & fixture	5

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

**3.3 Cash and cash equivalents**

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they are being considered as integral part of the Company's cash management. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

**3.4 Employee Benefits**

a) Short term employee benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the related services are rendered. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b) Leave encashment is accounted for using the projected unit credit method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to profit and loss in the period in which they arise.

c) Contribution to Provident Fund, a defined contribution plan, is made in accordance with the statute, and is recognised as an expense in the year in which employees have rendered services.

d) The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in Indian Rupees (₹) is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

The Company operates defined benefit plans for gratuity, which requires contributions to be made to a separately administered fund. Funds are managed by trust. This trust has policy from an insurance company.

**3.5 Financial Instruments – initial recognition, subsequent measurement and impairment**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**a) Financial Liabilities**

At initial recognition, all financial liabilities other than fair valued through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss.

Financial liabilities are classified in two categories; subsequent measurement of financial assets is depended on initial categorisation. These categories and their classification are as below:

**i. Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

**ii. Financial liabilities measured at amortised cost**

*Borrowings*

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the company has unconditional right to defer settlement of the liability for at least twelve months after reporting period.

*Trade and other payables*

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

*De-recognition of financial liability*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

**3.6 Equity share capital**

Ordinary shares are classified as equity. Incremental costs net of taxes directly attributable to the issue of new equity shares are reduced from retained earnings, net of taxes..

**3.7 Borrowing Costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

**3.8 Earnings per share**

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is receivable (generally the date of their issue) of such instruments.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

**3.9 Provisions and contingencies**

a) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

b) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

**3.10 Current versus non-current classification**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle,
- b) It is held primarily for the purpose of trading,
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**3.11 Recent Ind AS Pronouncement**

**Standards issued but not yet effective:**

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

**Ind AS 116 – Leases**

Ind AS 116 was notified by Ministry of Corporate Affairs on March 30, 2019 and it is applicable for annual reporting periods beginning on or after April 1, 2019.

Ind AS 116 will affect primarily the accounting by lessees and will result in the recognition of almost all leases on balance sheet. The standard removes the current distinction between operating and finance leases and requires recognition of an asset (the right-of-use the leased term) and a financial liability to pay rentals for virtually all leases contracts. An optional exemption exists for short-term and low-value assets. The company has operating lease, does not affect the profitability. The Company will be able to reasonably estimate the impact of Ind AS 116 on the financial statement after completion of above stated assessment.

**4. Critical accounting estimates, assumptions and judgements**

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

*(a) Property, plant and equipment*

External adviser or internal technical team assess the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

*(b) Intangibles*

Internal technical or user team assess the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

*(c) Income taxes*

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

*(d) Contingencies*

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

*(e) Allowance for uncollected accounts receivable and advances*

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible.

*(f) Insurance claims*

Insurance claims are recognised when the Company have reasonable certainty of recovery. Subsequently any change in recoverability is provided for.

*(g) Liquidated damages*

Liquidated damages payable are estimated and recorded as per contractual terms; estimate may vary from actuals as levy by customer.

**5. Financial risk management**

**5.1 Financial risk factors**

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's activities expose it to Liquidity risk:

**i) Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Interest rate risk is the risk that the fair value or future cash flows of a

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as of March 31, 2019 and March 31, 2018.

ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss

iii) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

**Market Risk**

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. However, such effect is not material.

a) Interest rate risk and sensitivity

The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with floating interest rates, any changes in the interest rates environment may impact future cost of borrowing.

With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of loans and borrowings.

(Amount in ₹)

Interest rate sensitivity	Increase/Decrease in basis points	Effect on profit before tax For the Year ended 31 March 2019	Effect on profit before tax For the Year ended 31 March 2018
INR	+50	-5,27,763	-
	-50	5,27,763	-
USD	+50	-	-
	-50	-	-

**Interest rate & currency of borrowings**

The below table demonstrates the borrowing of fixed and floating rate of interest:

(Amount in ₹)

Particulars	Total Borrowing	Floating rate borrowing	Fixed rate borrowing	Weighted Average rate
INR	10,52,64,256	10,52,64,256	-	
<b>Total as on March 31, 2019</b>	<b>10,52,64,256</b>	<b>10,52,64,256</b>	-	<b>10.91%</b>
INR	8,95,97,997	-	8,95,97,997	
<b>Total as on March 31, 2018</b>	<b>8,95,97,997</b>	-	<b>8,95,97,997</b>	<b>11.35%</b>

**Liquidity risk**

The Company's objective is to; at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below provides undiscounted cash flows towards non-derivative financial liabilities and net-settled derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

(Amount in ₹)

**Capital risk management**

The Company aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The Company monitors capital using gearing ratio, which is net debt divided by total capital which is given as under:-

(Amount in ₹)

Particulars	As at March 31, 2019	As at March 31, 2018
Loans And Borrowings	10,52,64,256	8,95,97,997
Less: Cash And Cash Equivalents	4,51,840	14,53,766
Net Debt	10,48,12,416	8,81,44,231
Equity	(2,07,533)	(1,91,943)
Total Capital	10,46,04,883	8,79,52,288
<b>Gearing Ratio</b>	<b>100.20%</b>	<b>100.22%</b>

**Jindal Urban Waste Management (Tirupati) Limited**  
**Statement of Significant Accounting Policies & Notes to Financial Statements**  
**Note No-17**

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches of the financial covenants of any interest bearing loans and borrowing for reported periods.

**6. Fair value of financial assets and liabilities**

Set out below is a comparison by class of the carrying amounts and fair value of the Company's financial instruments that are recognised in the financial statements.

(Amount in ₹)

Particulars	As at March 31, 2019		As at March 31, 2018	
	Carrying amount	Fair Value	Carrying amount	Fair Value
<b>Financial assets designated at amortised cost</b>				
Cash and bank balances	4,51,840	4,51,840	14,53,766	14,53,766
Other financial assets	-	-	35,400	35,400
	<b>4,51,840</b>	<b>4,51,840</b>	<b>14,89,166</b>	<b>14,89,166</b>
<b>Financial liabilities designated at amortised cost</b>				
Borrowings- fixed rate	-	-	8,95,97,997	8,95,97,997
Borrowings- floating rate	10,52,64,256	10,52,64,256	-	-
Trade & other payables	4,70,724	4,70,724	15,91,082	15,91,082
Other financial liabilities	3,52,844	3,52,844	3,98,476	3,98,476
	<b>10,60,87,824</b>	<b>10,60,87,824</b>	<b>9,15,87,555</b>	<b>9,15,87,555</b>

**Fair Value Hierarchy**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 2 as described below:

**Assets / Liabilities for which fair value is disclosed:**

(Amount in ₹)

Particulars	As at March 31, 2019		
	Level 1	Level 2	Level 3
<b>Financial liabilities</b>
